Gentlemen,

The efforts of the MCGM & the TATA MUMBAI MARATHON 2020 have ensured that the Solid Waste generated from the event has been managed effectively.

We would like to plan & continue with this for the future editions of the race to ensure that the event is a show case of how waste can be managed.

We appreciate the efforts of the organisers on this initiatives and coming forward for forge this partnership.

Thanking you,

Yours faithfully,
